DEVELOPER PROJECTS

CONQRETE - Skatepark Review Node.js App
A responsive Web App that allows users to sign up, create a profile, and add their own posts about skateparks they have visited. Users can leave comments on skatepark posts and follow other users.

WORK EXPERIENCE

Azure VM Developer Intern   December 2018 - May 2019
Florida State University College of Medicine, Tallahassee, FL

· Developed Microsoft Azure cloud virtual machines by writing JSON API templates and built the templates with Packer.io in PowerShell
· Created network topology diagrams using Microsoft Visio to expedite network troubleshooting, which created a more efficient work flow for the System Admins

IT Assistant   June 2018 - August 2018
Florida State University iSchool, Tallahassee, FL

· Provided 30 high school students exposure to careers in Information Technology, Computer Science, and Computer Engineering through a 6-week course
· Supervised 30 students daily, assisting with HTML5, CSS3, JavaScript, Python, Adobe Photoshop, Adobe Illustrator, InDesign, and GameMaker over the 6-week camp

LEADERSHIP

Member Educator Coordinator   May 2018 - May 2019
Codeducation, Florida State University

· Taught 4 HTML5, CSS3, JavaScript and Github sites workshops helping non-STEM majors learn how to code and build online portfolios
· Managed updates on meetings, workshops, and other club information for 291 members

President   May 2018 - May 2019
Transfers Helping Transfers, Florida State University

· Managed and mentored a club of 20 active members providing tips on what classes to take, where to study, and general campus knowledge
